Seniors, disabled, & youth ride free with valid passes. 10-ride, quarterly, & yearly passes are also available. For pass information and purchasing. please visit the business office, the Unitrans website, or call,

#### **Lost & Found**

Unitrans is not responsible or liable for lost or stolen items. Unitrans cannot guarantee that lost items can or will be found. If Unitrans staff find lost items on the bus, they will be triaged into the following categories and handled accordingly:

Non-valuable items: These items will be turned in to the Unitrans business office, and customers will be able to recover their items after 12PM on the following business day.

Valuable items (wallets, phones, etc.): These items are turned in to the UCD Police Department. Contact the UCD Police Department to recover any lost valuables and for more information.

#### **Food & Smoking**

Consuming food on all Unitrans buses is strictly forbidden. Customers are permitted to drink beverages if they are in covered and secure containers. Smoking of any kind is forbidden on all Unitrans buses, bus stops, and at the terminals. Alcohol is strictly prohibited on all Unitrans buses.

# **Boarding at the Terminals**

When buses are laying over at the terminals, driver changes may occur. For this reason, enforcement of fare is on the "honor system." Drivers can ask any passenger for fare at any time, and passengers are expected to have valid fare to board. If a driver is not present, customers are allowed to board the bus without waiting for a driver to show fare. Passengers are to board using the FRONT DOORS only, except for double decker buses.

#### **Bikes & Scooters**

Bikes and scooters are allowed on buses so long as they adhere to the following policies:

- Bikes are only allowed on the bus on the weekends, or on the last scheduled run of a line.
- Authorization to bring a bike onto the bus is not guaranteed. Drivers can deny bikes if space is not sufficient.
- Scooters are allowed so long as they are foldable. Scooters that do not fold are NOT allowed on Unitrans buses.

## **Tripper Buses**

Have you ever been passed by a bus with a "NOT IN SERVICE" headsign? That is likely because your stop has already been served by a tripper bus. Trippers are extra capacity buses sent to aid the normally scheduled bus on busy, peak direction routes. To make sure not to miss your bus, please consult the scheduled times for your stop on the printed schedule. Your stop will only be served ONCE per schedule time, and trippers will likely serve your stop closer to/on the scheduled time to reduce delays on the line. While trippers are trackable online, using the scheduled times are the most reliable way to ensure you don't miss your bus. Trippers are most often used on the morning inbound G. J. and W lines.

### **Double Decks**

Unitrans operates double decker buses on certain routes. When using one of these buses, please obey all instructions from the on board conductor. On certain low-volume, off-peak runs, the top deck may be sealed off to maintain on-time performance. On certain high-volume, peak runs, the bus may be very packed. Please comply with all instructions by your driver and conductor to ensure a smooth and timely journey. Standing is strictly prohibited on the top deck and in the stairway. Sitting in the aisle of the top deck is also forbidden.

## **Weekend Service**

Unitrans only operates certain lines out of the Memorial Union Terminal on weekends. Service and departure times are differ. Visit the website for more info.
